

An aerial view of a busy warehouse. In the foreground, several workers are seated at long workstations equipped with laptops and various tools. They appear to be assembling or inspecting components. In the background, a forklift operator is moving a pallet, and another worker is handling a large blue cart filled with parts. The warehouse is filled with shelving units, workbenches, and organized inventory.

# Single Boxes- Desktops

1.

# How to pack?

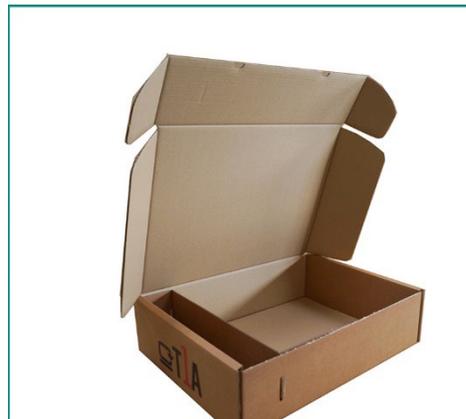

Step-by-step process

1. You will receive a sealed box for your desktop. Open the box by cutting the tape.

2. In the box you will find the return address label, a clamshell\*, recycled paper and the packing instructions.

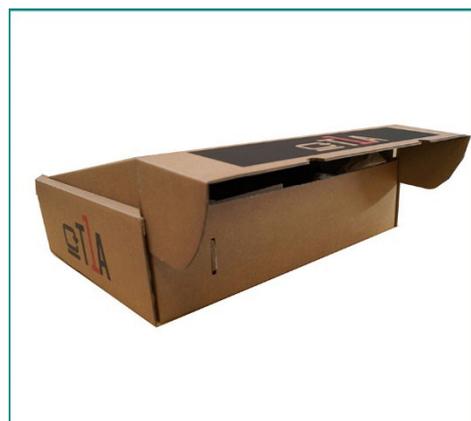

3. Open the box, and place the cable in the small compartment, the desktop in the big compartment.

\* Use the clamshell in case you have mini form factor desktops, in order to secure when shipping.

4. Make sure to secure well with paper. Pay extra attention to the edges.

5. Close the box with the wings inside it.

6. Secure with tape similarly to the way when you received the box empty.

7. Place the return shipping label on the top of the shipping address. The return address is:  
**Solvang 6,  
3450 Allerød, Denmark.**

The batteries **MUST** be contained in the machines upon shipment. If the batteries are visibly swollen inside the machines they **MUST** be removed, in order to avoid any risks when shipped by air or ship. Also, if the batteries are loose, please remove from the machine before shipment.

## Important Considerations

### Note:

- Please make sure that the serial number on the pc is the same as the one on the return label. If not, please contact IT for help.
- If you are located outside EU you will receive a proforma invoice in the box. Please place it along with the box when sending.
